## GST Inclusive

# Common discounts explained

### Membership and Technical Society

Members of Engineers Australia (excluding free students) who join one or more Technical Societies are entitled to a single discount of \$16.50 (includes GST) off their Engineers Australia membership fee\*.

If you are a member of one or more Technical Societies, the discount of \$16.50 has been applied to your membership renewal fee for 2018-19<sup>^</sup>.

\* The \$16.50 discount is applied to a Member's standard membership renewal fee. For example, a Chartered member at the grade of Engineering Associate would normally pay \$287.00, however with the discount applied would only be required to pay \$270.50. Discounts are automatically applied to Member's 2018-19 renewals fees.

<sup>^</sup> The discount is not applicable for Royal Aeronautical Society Australian Division (RaeS). For further information regarding this Technical Society, please contact them directly.

### Concession and Technical Society

The concession rate of \$196.00 (includes GST) is available to an Engineers Australia member in any grade or occupational category who:

- is over 55, has been a financial member continuously for five years, and has retired from paid, full-time work; or
- is unable to work by reason of unemployment, disability, ill health, pregnancy, parental obligation, participation in full-time postgraduate study directly related to their engineering competencies, temporary severe financial difficulty or other sufficient cause.

If you are a member of one or more Technical Societies, the discount of \$16.50 has been applied to the Concession rate of \$196.00, making your membership renewal fee for 2018-19 a total of \$179.50.

### IPWEA Member

Members of Engineers Australia (excluding free students) who are also a member of the Institute of Public Works Engineering Australasia (IPWEA) are entitled to a single discount of \$16.50 (includes GST) off their Engineers Australia membership fee\*.

If you are a member of IPWEA, the discount of \$16.50 has been applied to your membership renewal fee for 2018-19.

\* The \$16.50 discount is applied to a Member's standard membership renewal fee. For example, a Chartered member at the grade of Engineering Associate would normally pay \$287.00, however with the discount applied would only be required to pay \$270.50. Discounts are automatically applied to Member's 2018-19 renewals fees.

### Conditions

Each Engineers Australia member is entitled to receive one discount only (Technical Society or IPWEA membership), calculated as the highest-value discount for which the member is eligible.

The Technical Society discount does not apply when the Technical Society membership fee is less than the discount amount.
