Service Agreement

Monthly debits will be made to your nominated account within the first three business days of the month. The amount debited to your account will be equivalent of 1/12 of the total of your annual membership subscription, less any items which you have deleted. Members may find that their last periodic payment(s) in the year is slightly different due to rounding of payment amounts. This Direct Debit Authority will remain in force until you advise Engineers Australia that you wish to cancel your authorisation. Cancellation must be in writing, providing your full name and membership number. It is also advisable to notify your bank/building society/credit union. It is the responsibility of the member to have sufficient funds in their nominated account by the due date. If debit items are returned unpaid, the Institution will advise the member of any cancellation or variation in the agreement within 14 days.
